

# Pet Waiver Form and Pet Policy

We understand your dog is a part of the family. That is why we welcome them and have dedicated pet rooms for your comfort. All guests with pets must agree to and sign this waiver in acknowledgement of this policy.

## <Unattended Pets Agreement>

Pets, including service dogs, may not be left in the room unattended unless left within a kennel and only if the pet does not create noise disturbances to surrounding guest rooms. In the event that your pet is left unattended and this results in noise concerns, you agree that the hotel will place the pet into the care of a local professional pet sitting service. The Robin Hood Inn & Suites does not accept responsibility or liability for unattended pets.
